Blackbird Vineyards released its acclaimed 2005 Napa Valley Proprietary Red at a V.I.P. dinner, hosted by Chanel, honoring the Host Committee of the charity P.S. Arts. The gala event was held at Cut, Wolfgang Puck's ultra-chic Beverly Hills steak house, and the exclusive wine poured was the Proprietary Red.

An editorial favorite, Blackbird Vineyards earned a top-five finish for its 2005 vintage barrel sample at this year's renowned Auction Napa Valley. Prior vintages are sold out, and the 2005 is offered on an allocated basis.
