2022 DISSONANCE SAUVIGNON BLANC

"Dissonance" gets its name from being the outlier to Blackbird's red blend portfolio. Dissonance brings the bright acidity of cool climate Sauvignon Blanc into harmony with the lushness of Semillon and enhances its richness through gentle lees stirring in a combination of stainless-steel tanks, small clay amphora and French Oak barrels. The 2022 Dissonance shines with a beautiful, complex bouquet of grapefruit, acacia flower and a hint of Pecorino cheese. A bright attack on the mid-palate with impeccable balance, and bright acidity upon first sip. A long finish hinting at green apple complete this wine that is beautifully integrated from start to finish.
